Section 2.6 CSA and Tariff Rates

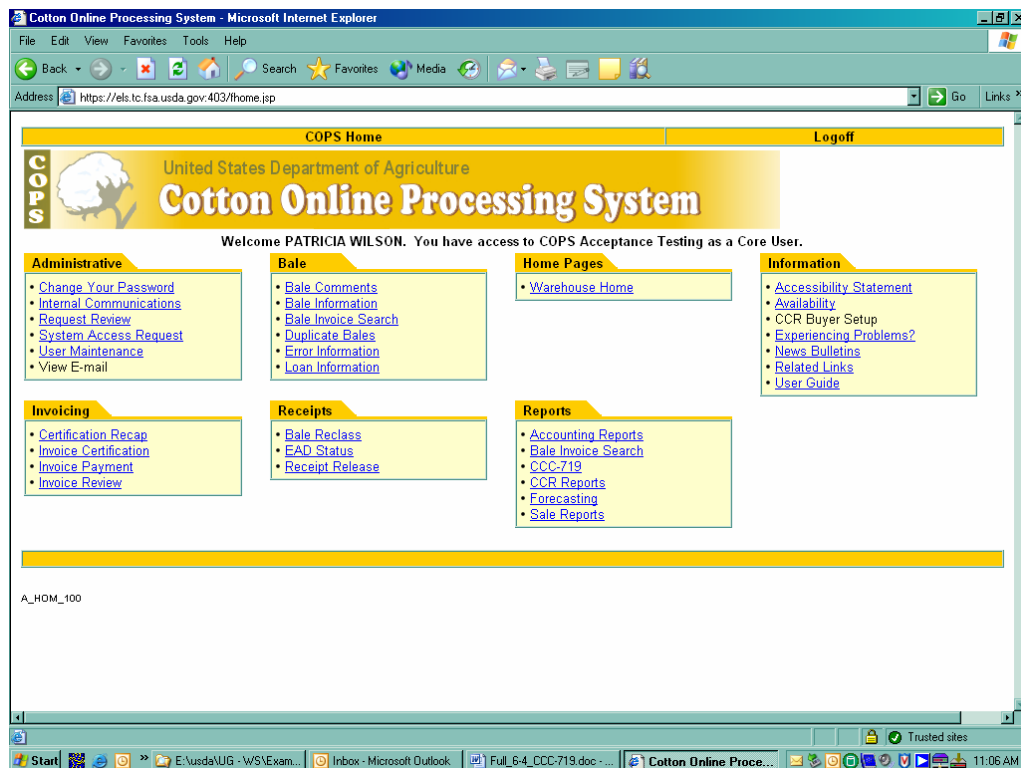

A. Introduction

The "CSA and Tariff Rates" link under On Line List on the COPS Warehouse Home Page provides the user with the ability to generate CSA and Tariff Rates report dynamically in a PDF (Portable Document Format– see <http://www.adobe.com/products/acrobat/main.html>). The PDF shows warehouse's the most current CSA and Tariff rates and effective dates. Access to this link is secured and limited to Core Users, CMA\LSA, States, Counties and Examiners.

B. Screens

1. Home Page (A_HOM_100)

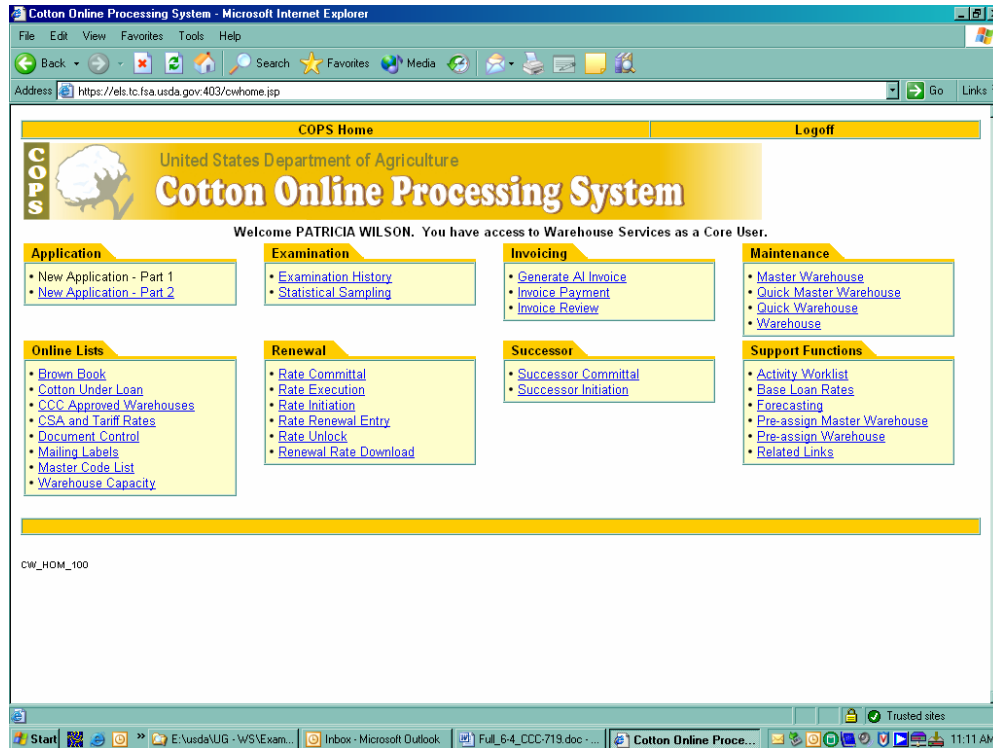

The **COPS Home Page** allows the User to select options based on their User ID. The allowed options will be underlined, showing that the link is available. Along with the **Home Page**, there will appear on all screens (except on pop-up screens) along the top, a **Menu / Navigation bar** to assist in proceeding through the various menu options.

4. CSA and Tariff Rate Report PDF

The CSA and Tariff Rate Report which is a PDF will appear. The CSA and Tariff Rate Report will display the entered data on the page. If a state was selected from the state download, then the county download will be populated with the valid counties. If there is no criteria selected then the report will be populated with all warehouses for ever state and county. Only the most current CSA and Tariff rates will be shown on the report. For example, if a warehouse has two CSA rates during a crop year, only the most current CSA rates will be shown. The CSA and Tariff effective dates will be shown in MM-DD-YYYY format. A final control break line will display after the last warehouse showing the number of states and number of warehouses on the PDF. If no report records were found based upon the criteria entered, the “no records were generated based upon your criteria selection” page will be displayed.

The screenshot shows a Microsoft Internet Explorer browser window displaying the 'Cotton Online Processing System' web application. The address bar shows the URL: <https://upland.dev.sc.egov.usda.gov:403/servlet/CSATariff?name=CSATariff>. The page title is 'CSA and Tariff - Receiving and Storage Rates'. The page content includes a header for the 'United States Department of Agriculture Cotton Online Processing System' and a table of data for the 'Crop Year: 2006 and sorted by warehouse code'.
